When ordering a gift basket from us it will always be personalized specifically for you. We do not have pre-packaged generalized baskets. We will talk with you personally by phone or e-mail for each gift. We will also include any of your personalized items to make your gift perfect. All consultations and design time is free.

Our baskets come in many sizes and designs. We have ideas for every day and holidays. Below is a list of some of our popular designs. If a basket is just too much we will pack gifts in beautiful gift bags with a bow and gift card.
